The diagram illustrates the relationship between a print area and a window. The print area is a white rectangle with dimensions 20.5 cm by 9.5 cm. Inside it is a green rounded rectangle representing the window, with dimensions 10 cm by 4.5 cm. The window is positioned such that its left edge is 2 cm from the left edge of the print area, and its bottom edge is 2 cm from the bottom edge of the print area. Red arrows and text labels indicate these 2 cm offsets.
